LIBRARIAN'S REPORT

SPOFFORD LIBRARY

The Spofford branch of the Chesterfield Library had a busy 1954.

A total of 43 persons made use of the library facilities as follows:

19 Spofford Residents
17 Summer residents
7 Out of town residents.

Of this total, there were 11 Juvenile readers.

273 books were circulated from the State Bookmobile and 7 special orders of books were obtained from the State library for 3 persons.

There was a gift of 9 books from an anonymous donor.

50 books from the Chesterfield library were obtained for the summer months and every alternate month throughout the year there has been an exchange of as many books as the librarian wanted, and this cooperation has been greatly appreciated. Although Mr. Tuttle, trustee in Spofford, has been willing to make this exchange. the librarian has, with his consent, taken it upon herself to select the books most often called for by those using the library.

During the summer months, Mrs. George Joslin, Jr., 4-H leader instigated a Children's Reading Hour at the Spofford Library. Childrens' records were borrowed from the Keene Record Library and an adult was present to read to the younger children. This was not continued, however, due to the fact that the attendance did not warrant it. Apparently the out-of-doors was more attractive.

It truly is a joy and a privilege to be able to serve those interested in books, both those of Spofford and those who

vacation here in the summer. The summer visitors are very appreciative of the opportunity to make use of the library, too, and they have nothing but praise for the variety and types of books we have.

Respectfully submitted,
MARJORIE A. MORSE,
Librarian.

CHESTERFIELD LIBRARY

Chesterfield Public Library
Chesterfield, N. H.
January 1, 1955

To the Trustees of the Chesterfield Library:

During the past year, the Library has seen many new faces. Among them are several of the new residents of the town and also several "old-timers" have become patrons of the Library. Our total number of patrons includes 68 adults and 31 juvenile patrons.

The number of books taken out during the year is as follows:

Adult Fiction	1,256
Adult Non-Fiction	224
Juvenile Fiction	849
Juvenile Non-Fiction	66
Total	2,395

Books purchased during the year include 79 adult books and 85 children's books. Among these are most of the Best Sellers.

Four exchanges of books were made with the Spofford Branch Library during the year. In June, 121 books were sent to the West Chesterfield Branch Library at its new location.

The State Bookmobile has continued its loan of books to us. This gives us an additional 50 books for circulation.

Gifts presented to the Library during the year include the following: A water glass with picture of the Old Silverdale Hotel and the Steamboat "Enterprise", both at one time located on Lake Spofford.

24 books—Rev. and Mrs. Roland L. Thornton

An original poem—Albee

9 books—Mr. and Mrs. Walter B. Douglas, Dunstable, Mass.

Picture of the Steamboat "Enterprise" at Armstrong's Landing on Spofford Lake—Miss Mary R. Webb.

An old chest containing old deeds, inventories, check lists, etc. of the town. Among these was a deed dated 1792 from Capt. Willard (one of the Grantees of the town) to the town for the land on which the Old Meeting House stood. I believe the area might now include the land on which the Library stands and possibly the Town Hall also. The checklists include several dated in the 1860's.

Petty Cash Report—

On hand Jan. 1, 1954	$10 10
Expenses	6 24
Collected for fines	6 49
Balance	$10 35

I would like to extend a special invitation for use of the Library to new residents of the town. We have most of the Best Sellers and can obtain books you might desire for a special study or hobby from the State Library. The Library is open on Saturdays from 2-5 and 7-9.

Respectfully submitted,
AUDREY C. ERICSON,
Librarian.

THE SCHOOL BOARD REPORTS

The Chesterfield school board takes this method and opportunity of reporting upon the school to the citizens of Chesterfield.

The year has been a busy one, for there have been important problems to meet and solve. In addition to the regular monthly board meetings, your school board has been represented at meetings in Brattleboro relative to their proposed cooperative district. Also, your school board and study committee have held meetings concerned with the problem of our own growing school population. Recognition should be given to the members of this study committee following; Mrs. Hubner, Dr. Barrett, Mr.

Mowry, Mr. Winn, Mr. Joslin and Mr. O'Sullivan, for working out a suggested solution to our major problem of enrollment.

The school board was pleased at the reception of the brochure developed to present and outline the work of the board and committee and designed to inform the public and make recommendations. The school board and district is grateful to Mrs. Ann Gaseau of the Marlboro High School commercial dept. for her work in mimeographing this material.

The school staff is to be commended for its untiring efforts to educate and train our children to become thinking, useful and loyal American citizens. Our staff, under the able leadership of Mr. Decato has demonstrated its skill and ability, of which Chesterfield can justly be proud. Our superintendent, Dr. Bowlby, has demonstrated a sincere personal interest in our local school and has given unstintedly of his time, energy and ability in helping us.

The P.T.A. continues to take an active and appreciated part in school affairs and with continued excellent public support, we can look foreward with confidence to the future of public education in Chesterfield.

HAROLD PUTNAM, Chairman
CLARA WELLINGTON,
AGNES CHICKERING,
School Board.

SUPERINTENDENT'S REPORT

The Chesterfield School educational program is operating smoothly under the able direction and supervision of our principal, Mr. Gordon Decato and through the efforts of a capable staff. Mrs. Vanetta Emery, after a refresher course at Plymouth Teachers College, took charge of grade one and has done a capable and conscientious job with the little beginners. Mrs. Marion Nurse and her assistant, Mrs. Barbara Aldrich have continued their excellent lunch program work and feed a larger percent of pupils than other programs in the union. Mr. George Purrington, serving his first year as school custodian, has not only kept the building clean and comfortable but has also kept busy improving the building with painting and repair work.

A word should be said in favor and recognition of the fine work of the Chesterfield P.T.A. and its program for aiding and supporting school activities.

The major problem of the school is that of meeting the demands of a steadily increasing enrollment. The enrollment chart printed elsewhere in this report shows what we must expect from future enrollments of resident pupils only. This chart does not attempt to estimate the number of pupils who may move into the community during the next six years.

By 1958, we may anticipate an enrollment of 209 pupils at Chesterfield and the problem of, 'what to do' must be faced and solved now. To this end the school board has appointed a committee of six members, in accordance with district instructions, to study Chesterfield school problems. The board and committee have compiled a study report and recommendations to the citizens of Chesterfield. It is hoped that all will examine this report carefully and face these problems realistically. My own recommendation coincides with that of the board and committee.

DR. CHARLES L. BOWLBY,
Superintendent.

PRINCIPAL'S REPORT

To the School Board and Citizens of Chesterfield:

I herein submit my second annual report as principal of the Chesterfield School.

Children are God's gift to man. They are children for such a small period of time and during that time, the school and the parents have the responsibility of giving them the most complete and thorough training within our means. It is also our responsibility to help them to develop into capable citizens, not only of the United States, but of the world.

Tolerance, understanding, and faith in God are virtues that start in the home and are encouraged during school life. Would our world be in the condition that it is if we lived by the afore mentioned concepts?

The past school year has been most successful in many ways. Our family has grown considerably and from studying the school census, it will continue to grow by leaps and bounds. An additional classroom and teacher are needed for the coming

school year, to insure your children a continuance of the high grade of education they have been receiving. This is not a temporary condition, but one that will become more acute during the next three years.

Mrs. Vanetta Emery has joined our school staff and is doing a very capable job in teaching the first grade. The other members of the staff, Miss Esther Grout Grade Two, Mrs. Alice Spaulding Grade Three, Mrs. Laura Atema Grades Four and Five, and Mrs. Alice Bothwell Grade Six, have once again proven themselves to be excellent teachers and citizens of our community. Our entire staff has met the test of a good teacher. They have endeavored to keep up with ever changing ideas and methods by taking extension courses. We are indeed fortunate to have teachers of their calibre to work with the minds of our youngsters.

In order to teach saving, thrift, and the value of money, your children are encouraged to purchase United States Savings Stamps, through the school program. This is a relatively new program in our school, but functioning very effectively.

Our new custodian, Mr. George Purrington, assumed his duties shortly before school opened and has been doing commendable work. In his spare time, I don't know how he finds any, he has completed nearly half of the insulation work. We are noticing the effects of this insulation already.

Mrs. Marion Nurse, Lunch Program Supervisor, and her assistant, Mrs. Barbara Aldrich, have continued to serve the appetizing and nourshing meals that we all appreciate. A partial summary of the program follows:

During each month of the school year, the cafeteria staff serves an average of 2,380 meals or a total of approximately 21,000 meals a year. The Federal government contributed some $1,000.00 cash aid to the program and some $1,800.00 worth of foods. Among the surplus foods supplied to the program were; —dry beans, shortening, frozen beef, canned beef, potatoes, butter, cheese, grapefruit, dry milk, orange juice, peaches, tomatoes and salad oil.

With the Federal Program help, plus the charge of 25 cents per meal to the pupils; the program paid all its own expenses and closed the year with a balance of $108.80.

The school nurse, Mrs. Marion Warner, continues to care for the physical well being of our children. This year she is urging our children to care for their teeth. Will you help us?

The present enrollment by grades is as follows:

Grade One	24
Grade Two	39
Grade Three	19
Grade Four	27
Grade Five	12
Grade Six	27
Grade Seven	20
Grade Eight	15

As a member of the staff, I can assure you that we are constantly aware of the fact that you as parents have entrusted to us the task of developing the minds of your children. With continued co-operation on the part of the superintendent, school board, staff, parents, and children, how can we fail in our combined efforts to prepare our children to enjoy a richer, more wholesome, and happier life.

GORDON E. DECATO,
Principal

CHESTERFIELD AND THE PROBLEM OF INCREASED SCHOOL ENROLLMENT

Report of the School Board and Study Committee
January, 1955

THE PROBLEM

The Chesterfield School was opened in September 1951. An estimated enrollment of 125 pupils was expected.

The actual enrollment by years follows:

Sept. 1951	139 pupils enrolled
Sept. 1952	160 pupils enrolled
Sept. 1953	172 pupils enrolled
Sept. 1954	186 pupils enrolled
Sept. 1958	209 pupils are expected to enroll

A six classroom school has, under state recommendations, room for 168 pupils. We are at the present time, over-crowded, but by dividing up classes, are able to care for the present extra load.

The Problem is:

What will we do to care for the children now living in Chesterfield, who will in Sept. 1958 enter the school and total **209 pupils?**

The Facts:

This report is an attempt on the part of the school board and a study committee, to present all the facts on this problem and to suggest possible solutions.

Above figures make no allowance for new families moving into the community.

SUGGESTED SOLUTIONS TO THE PROBLEM

SOLUTION 1

SEND GRADE 8 OUT-OF-TOWN AS TUITION PUPILS

A. This idea rejected by votes at March 1954 meeting.

B. Keene School Board refused in 1954 to take grade 8.

C. Brattleboro cannot accept grade 8 because of overcrowding.

D. Hinsdale and Walpole are crowded.

Therefore: Trying to solve the problem of overcrowding in Chesterfield by sending pupils out of town, does not appear to be the answer.

SOLUTION 2

EMPLOY AN EXTRA TEACHER IN THE CHESTERFIELD SCHOOL.

A. An extra teacher would permit all grades to have a teacher except grades 4 and 6 which would be combined under one teacher.

B. This would give us 7 teachers but only 6 classrooms.

C. The activities room-lunch room would have to serve as the extra classroom;

But: The lunch program would have to be curtailed and the room would not be available for music or any other activities. **And**: For two hours each day when the lunch room is being set up, used, and cleaned up after lunch; the extra class would have to hold its classes in the school corridor.

FURTHER-MORE: Such a plan would only put off the problem until 1958 when 8 teachers and 8 rooms will be needed in Chesterfield.

7 Teacher Pupil Assignment 1955-56

Grade 1	26 pupils	Mrs. Emery
Grade 2	23 pupils	Miss Grout
Grade 3	39 pupils	Mrs. Spaulding
Grade 4	20 pupils	additional teacher
Grade 6	12 pupils	additional teacher
Grade 5	25 pupils	Mrs. Atema
Grade 7	32 pupils	Mrs. Bothwell
Grade 8	22 pupils	Mr. Decato

8 Teacher Pupil Assignment 1958-59

Grade 1	24 pupils	1 teacher
Grade 2	29 pupils	1 teacher
Grade 3	23 pupils	1 teacher
Grade 4	26 pupils	1 teacher
Grade 5	23 pupils	1 teacher
Grade 6	39 pupils	1 teacher
Grade 7	20 pupils	1 teacher
Grade 8	25 pupils	1 teacher

SOLUTION 3:

CONSTRUCTION OF A TWO-ROOM ADDITION TO THE SCHOOL.

A. The enrollment of 209 pupils in 1958 will be such that eight rooms and eight teachers will be necessary.

B. The figure of 209 pupils does **NOT** include any pupils from new families moving into Chesterfield; this figure therefore, may be too low, but is based upon children **NOW** living in the community.

C. Eight classrooms would enable Chesterfield to educate all elementary pupils at home and would care for an enrollment of up to 265 pupils in the future.

D. Educating all elementary pupils at home is considerably less expensive than paying tuition and transportation to any out of town school which might become available.

E. An eight teacher school would increase the educational opportunities of the Chesterfield School.

THE FINANCIAL PICTURE

BORROWING ABILITY OF CHESTERFIELD:

Bonds outstanding at the close of the year	$52,000 00
Assessed valuation of Chesterfield	$2,056,161 00
Borrowing power at 5% of valuation	$102,808 00
Borrowing power available as of June 1955	$50,808 00

EFFECT ON TAXES

Estimated cost of construction and equipping a two-room addition	$25,000 00
Bonds re-payable for 13 years at annual rate of	$2,000 00
annual interest	*$700 00

Additional Operating Costs: 1955-58

ADDITIONAL OPERATING COSTS OF TWO-TEACHER SCHOOL:

Additional teacher	$2,900 00
Heat and lights	300 00
Retirement	200 00
Insurance	300 00
Operating Total	$3,700 00

TOTAL ANNUAL ADDITIONAL COST FOR CONSTRUCTION AND OPERATION $6,400 00

INCREASE IN THE TAX RATE NECESSARY TO RAISE $6,400 00 — 32 cents

WHAT THIS MEANS ON YOUR TAX BILL

If you own property assessed at $1,000.00 you will pay $3.20 extra tax
If you own property assessed at 2,000.00 you will pay 6.40 extra tax
If you own property assessed at 3,000.00 you will pay 9.60 extra tax
If you own property assessed at 4,000.00 you will pay 12.80 extra tax
If you own property assessed at 5,000.00 you will pay 16.00 extra tax

*This is reduced each year

COMPARISON WITH TUITION COSTS

Twenty-eight Grade 8 pupils at $300.00 tuition	$8,400 00
Transportation cost	3,600 00
Total	$12,000 00

$12,000.00 for tuition and transportation will increase the tax rate — 60 cents.

CONCLUSIONS AND RECOMMENDATIONS OF THE SCHOOL BOARD AND THE STUDY COMMITTEE

CONCLUSIONS:

1. From the standpoint of adequate room for our present child population in Chesterfield, eight classrooms will be necessary by 1958.

2. From the standpoint of cost, the addition of two rooms is the least expensive solution to the problem. Construction and operation being estimated at $6,400 per year while transportation and tuition is estimated at $12,000 for the first few years.

3. From the standpoint of providing adequate educational opportunities for our school children, the additional rooms would be a great advantage. Then each grade would have its own teacher; the classes would be near the desirable maximum set by the state; there would be more opportunity for individual instruction and an enrichment of the whole school program.

4. Using the present auditorium for a classroom would tend to restrict or eliminate space for class plays, dances, PTA meetings, graduation exercises, the music program, etc.

5. Use of the hallway for over-flow class space would be dangerous in case of fire; would necessitate the installation of additional light and heat in the corridor and would not meet with approval from the State Department of Health and Education.

RECOMMENDATIONS:

The School Board and the Study Committee unanimously recommend that the school district of Chesterfield approve the construction of a two-room addition to the present school, furnished and financed at a cost not to exceed $25,000.00, to be ready for use in September, 1955.
